WELCOME TO ALL ROUNDER

All Rounder Cricket was founded in 2011 by ex Yorkshire CCC & Derbyshire CCC 1st Class cricketer, Chris Taylor. In just six years All Rounder has grown to be one of the leading suppliers of Equipment and Teamwear in the World.

"Having played top level professional & amateur cricket for over 20 years I understand how important playing kit is to both individuals and Cricket Clubs. I have always believed that if you look and feel your best, you play your best.

The cricket teamwear market is saturated with cheap, poor quality kit and more often than not an unreliable service. My company has invested hundreds of thousands of pounds to ensure all our clubs and customers not only look the best, but also have a hassle free ordering service, quick turnaround/delivery and a great after sales service. We hold over £250,000 of Adidas stock at any one time allowing us to be always 'in stock' and the average delivery time to our customers in 2017 was just 7 days.

Why not join over 600 other Cricket Clubs in the UK and partner with All Rounder Cricket for the 2018 season. Wearing our Adidas teamwear I guarantee you will be the envy of the opposition, I only wish I could guarantee your results!"
